

REMARKS

Claims 1-69 remain in this application. The most recent Office Action rejects all claims 1-69, but the only basis given is that the amendment filed on September 28, 2006 is considered non-compliant for failure to underline claim 67 and that a supplemental oath/declaration must be filed. Therefore, it is believed that the previous rejection of claims 65-69 under 35 U.S.C. 103 (a), which was responded to in the amendment filed on September 28, 2006, has been withdrawn.

In response to the issue of non-compliance, claim 67 has been underlined in the amendment to the claims submitted herewith.

In response to the requirement for a supplemental oath/declaration, applicants submit herewith a Supplemental Declaration for Reissue Patent Application by the Assignee.

In view of the foregoing, a Notice of Allowance appears to be in order and such is courteously solicited. Any additional fee which might be due in connection with this application should be applied against our Deposit Account No. 19-0522.

Respectfully submitted,

HOVEY WILLIAMS LLP
